

Calling all Business Degree Students!!

Student Sponsorship Scheme

Leyland Trucks is currently recruiting a number of students who are pursuing Business related degrees at University with a view to a successful career in a commercial function. For 2008 we are looking for both first and second year students as well as those starting their degree this September.

In return you will receive:

- * A bursary every year
- * Paid summer work
- * Planned offer of employment and development prior to graduation
- * Training to professional status after graduation
