

**DAF BACK-UP - THE BEST IN THE BUSINESS**

# DAFcheck

A **PACCAR** COMPANY DRIVEN BY QUALITY

# DAFcheck

When any of your vehicles are serviced or maintained at a DAF Dealer, you are eligible for DAFcheck - completely free of charge.

## Compliance support

DAFcheck is our electronic vehicle maintenance records system, which helps to ensure that your vehicles comply with DVSA requirements, protecting your O licence and keeping your OCRS in the green.

## Easy and instant access

Reducing your administration, the vehicle information is stored electronically and is updated immediately following inspection and servicing at a DAF Dealer, so you have instant access to legible, concise records of your fleet's service history.

As a subscriber, you can also register defects or specific instructions through the portal which will be automatically be included in the next vehicle inspection.

## Linked to DAFAid

And, as DAFcheck is linked to DAFAid, our UK

roadside assistance service, the attending and repairing dealer will have access to the vehicles' servicing records.

## Service and inspection history you can trust

DAFcheck is a user-friendly tool with access to a subscriber portal which is free of charge to customers. To register please complete the application form available online at [www.dafcheck.com](http://www.dafcheck.com)

## Earned recognition

DAFcheck is fully approved by the DVSA to align with the Earned Recognition scheme, which allows operators to prove that they comply with driver and vehicle standards.

# DAF Services

## DAF MULTISUPPORT

Maximise uptime. Increase fleet efficiency. When it comes to flexibility, cost transparency and uptime, a DAF MultiSupport Repair and Maintenance package is your best choice. Tailored packages including pro-active maintenance planning using real time vehicle data, to help you keep your trucks in excellent condition and on the road.

## PACCAR FINANCIAL

As DAF's in-house finance provider, PACCAR Financial provides tailored and complete financial services to the transport sector. A unique understanding of your day-to-day business makes PACCAR Financial your partner of choice.

## DAFaid

Accidents and breakdowns are an inevitable part of the transport business, even for the best trucks. So it's good to know that DAFaid is just a telephone call away. 24 hours a day, 365 days a year, our team of highly skilled technicians will do everything possible to get your truck back on the road fast. When abroad, DAF ITS (International Truck Services) picks up the baton.

## PACCAR PARTS

PACCAR Parts supplies PACCAR genuine parts and DAF genuine parts along with over 100,000 TRP parts for all makes of truck, trailer and LCV, including workshop supplies. From its own distribution centres, PACCAR Parts delivers within 24 hours worldwide.

## DAF DEALER NETWORK

With our extensive network of professional sales and service dealers, there's always a DAF representative nearby. Highly qualified DAF technicians have in-depth knowledge of your vehicle, ensuring fast, effective repair and maintenance, using original PACCAR, DAF and TRP parts. This guarantees maximum vehicle availability and high residual value.

## PACCAR CONNECT

In our drive for transport efficiency, the new PACCAR Connect Fleet Management Platform can provide realtime information anytime, anywhere, on the performance of both individual vehicles and your entire fleet, logistical processes and the performance of drivers, thereby helping you to optimise your returns.
